

Advancedshop Registration 2018 for kids ages 11-16

With the guidance of experienced choreographer, Abby Bender, kids will deeply explore the craft of making dance. While working toward one collaborative group piece for the show, each participant will be encouraged to develop their individual voice as an artist through experimentation, teamwork and creativity. Participants cooperatively generate nearly all the material for their dance. Abby aims to instill a love for making and performing dance regardless of technical proficiency or experience. She emphasizes decisiveness and the benefits of working hard, playing hard and ignoring the critic inside of us so we can free up our imaginations. No dance experience is required but Advancedshop is quite challenging (and FUN!) Advancedshop is for ages 12-16. Older teens who wish to join, please contact Abby for permission.

Please mail your check made out to Abby Bender (not to Built on Stilts) to Abby at PO Box 158, in the amount of \$150/child and submit this form via email to Abby at shakes9999@yahoo.com or snail mail.
