

Built on Stilts (BOS) is a forum for artists to present original work. It is a non-curated, unpaid event in which amateurs and professionals share the stage. Everyone is welcome to register. The festival invites all kinds of performance, not just dance. No hate speech or misinformation will be tolerated.

CRITERIA FOR PARTICIPATION 2022:

Choreographers/Makers must be at least 16 years old (Participating performers can be any age.)

Work must be:

- Able to be presented with bare bones technical needs. (Lights and sound on and off only)
- Appropriate for children (NO nudity. NO foul language live or in any recorded music.)
- No longer than 7 minutes.

Tech Dates: Each piece will be given one required slot in which to mark the piece in the space and give cues (between 1/2 hour and 1 hour) at some point within the days leading up to the festival or on the day/s of the first show an artist is assigned to (generally on the day of first show for visiting artists.) Dates for potential tech slots are August 8, 9, 11, 12, 13, 20, 21, 22.

Dress rehearsals and Performances: Shows are Aug. 11-13, and Aug. 20-22. You will be assigned at least TWO of these show dates unless you request ONLY ONE performance on your registration form. Each group MUST attend the 4pm dress rehearsals on ALL days of the shows in which their piece is to be included. Participants must arrive ON TIME for the 4pm production meetings and dress rehearsals. Show call for performers is 7pm. Curtain is at 8pm. Once all the registrations are in, artists will be provided with a more definite schedule of assigned time slots, approximately one month in advance. Visiting artists are provided with dates much sooner.

Other rules for participation:

- You, anyone participating in your work, and all audiences and staff must abide by local and state Covid guidelines & any BOS safety guidelines.
- You will not be registered in the festival until a registration fee and form has been received. Please send payment the same day you send this form. The \$30 registration payment is non-refundable

Please don't make special date requests unless absolutely necessary (as in traveling or housing issues). If there are unavoidable conflicts, be sure to detail them on the registration form. There is only bump or fade up and bump or fade down for lights and one level of light you may choose for your piece. Music is on and off only, no manual fading.
